

HOPE SPACES

DIRECTIONS

Instruction Sheet

You will need

- Large printed copies of each road sign and question on card or laminated so they stand up
- Something to support each road sign, simply the back of a chair; you could use music stands or broom handles in flower pots of sand or fix the cards around the walls
- White tape to create road markings
- The Bible verses printed A3 - Proverbs 3: 5-6

How to set up the prayer space

- Place each road sign 2 metres apart from the next one.
- Use white Gaffer tape on the floor to make road markings for the route.
- Place a couple of chairs near a coffee table at the end of the route with the Bible verse displayed for people to read.
